

2010 Scotts Bluff County Fair

Where Homegrown Memories Are Made

Why Should I Be A Sponsor For The Scotts Bluff County Fair?

By participating in a sponsorship you will be helping to support one of the oldest community events in the county! The Ag Society is responsible for providing entertainment of all kinds, and your sponsorship support will help us to do just that. The Ag Society is an organization of volunteers that care deeply about this county and the well being of each that attend and participate in the Scotts Bluff County Fair!

*The Scotts Bluff County Ag Society
Would like to express its thanks to the community for
helping to support the Scotts Bluff County Fair!
We are excited to get the 2010 season going and have
a new twist to some of our sponsorship levels. So
thank you for helping to continue this great
community event.*
